

Vermont Voters Hold Oversight Power

[This report](#) by Vermont's State Auditor is worth your time.

Look, this election is basically your main chance for oversight at the office of sheriff. I am proud of my commitment to transparency. I have demonstrated this by releasing my academy records, putting a resume out there, answering all manner of questions and being accessible to the public. I'm not doing this for money. I won't take commissions if I am elected. I am running to build your sheriff's department for the future. If you agree, I respectfully ask for your vote on 8/11. If you don't see my name on your party ballot please write me in for the office of sheriff.

I'm always interested in speaking with Caledonia County residents about their Law Enforcement concerns. Want to ask a question? [Contact me!](#) Thank you.
